SUMMER HOLIDAY HOMEWORK

FOR CLASS LKG

HAPPY HOLIDAYS & HAPPY LEARNING

DEAR PARENTS,

Summer vacation homework must be considered as an opportunity to learn and develop skills. As goes the old saying "practise makes a man perfect". Regular practise and completion of tasks keep a student always prepared for all the uncertainties that he or she might face during the academic curriculum. Holiday homework keeps a child engaged and also makes parents aware of whatever the child is learning this helps to build a positive and healthy parent child relationship.

Cognitive/ Fine Motor Development

- Paste any five big and small size pictures available around the house.
- Help your child to plant a seed, you can take an old glass jam bottle or cut an old plastic bottle also sow any sapling of a plant , example - flower, Tulsi or Aloe Vera . Tell the importance of plant and how they help to keep the environment clean., ask your child to look after it by giving water to the plant every day. Do tell the importance of air, water, sunlight and soil. Bring the plant to the school on the reopening day, these plants will be shifted to the school garden.
- Paste 5 leaves from different trees or plants.
- Let do some charitable work to protect the birds from summer, help your ward to keep a bowl of water in your garden, balcony, terrace and common open areas. It is the best way to help the birds keep cool.
- Cut and paste the capital letters from A to Z.
- Make CD- FACE which is given in "creative art & craft" book (page no.- 25).
